180 Sparks Valley Road

Comprising over +/-19.7 acres in the Sparks Valley Center, 180 Sparks Valley Road presents a unique opportunity to purchase and develop one of the largest remaining unimproved ML zoned parcels in Baltimore County.

Ideally located just north of Hunt Valley Towne Centre, the property is surrounded by upscale corporate and residential neighbors, as well as walkable convenience retail amenities. Property was previously approved for a +/-153,000 sf corporate headquarters, and was cleared and mass graded to those specifications. Ownership has completed over $1 million in site construction, including storm water management designed for the previously plan. 180 Sparks Valley is served by public water and sewer and the existing road network of the Sparks Valley center. Property will be sold with a neighboring 12+ acre “Parcel B”, zoned RC6 that serves as forest conservation and open space for the 19.7 acre ML zoned property. Plats are recorded, and ML Zoning allows for a wide variety of commercial uses.
